

Perryfields Primary PRU

COVID-19 catch-up premium report

COVID-19 catch-up premium spending: summary

SUMMARY INFORMATION			
Total number of pupils:	22	Amount of catch-up premium received per pupil:	
Total catch-up premium budget:	£3,120		

STRATEGY STATEMENT

- To reduce the attainment gap between disadvantaged pupils and their peers
- To raise the attainment of all pupils to close the gap created by COVID-19 school closures

At Perryfields we aim to ensure all pupils receive quality first teaching across the curriculum. A carefully planned out Recovery Curriculum that integrates pupil mental health and well-being alongside missed skills and knowledge has been written and implemented.

We recognise that children experienced learning differently during lock down and there were learning objectives and learning behaviours that teachers were unable to teach fully. This is being addressed as we recover and return to the unit and as we address the 3rd lockdown in terms of academic learning and pupil wellbeing.

We acknowledge that the learning opportunities for our children were hugely disrupted and that it is likely that academic and learning behaviours of pupils will need interventions and support; some through 1:1 support and tuition.

Barriers to learning

BARRIERS TO FUTURE ATTAINMENT

Academic barriers:

A	Missed learning and wellbeing due to Covid lockdown with only vulnerable and critical worker children attending
B	Gaps in learning that had previously been closing, now widened.

ADDITIONAL BARRIERS

External barriers:

D	Risk of further missed learning should bubbles collapse, pupils need to self-isolate or the school enters a 3 rd National/local lock down. Opportunities to access quality remote learning in the case of a lockdown, or need for pupil isolation.
---	--

Planned expenditure for current academic year

Action	Intended outcome and success criteria
Key stage 1 phonics	Intensive 1:1 support to aid accelerated learning and catch up To aid preparation for phonic screening re-test
Thrive intervention / Social and emotional well-being of pupils	Additional Thrive interventions to develop the social and emotional wellbeing of pupils Additional teaching assistant hours to cover Thrive practitioners to deliver interventions Additional Covid based Thrive resources / social stories purchased
