Each half-term, we will be issuing each child with a homework grid with a selection of different homework tasks on. The tasks will link to key skills and values. As you complete each task, please date and sign the box and return the evidence to school. The evidence could be a drawing, a photo/video, some writing—a poem, letter, short story or report, a model or an object. Try to aim for 1-2 tasks per week. The evidence will be shared by the class teacher once a week as part of the pupils Social Skills/PHSCE lesson. You can email your completed tasks to office@perryfields.worcs.sch.uk

Thank-you for your support on this matter— If you require any resources, glue, paper etc... please contact the class teacher via the home school sheet.
