Perryfields Intervention Programme Requests:

For all school enquiries regarding a pupil please contact the Outreach Team Coordinator Mr Pete Hines on the school telephone number or e-mail address.

Please be prepared to state the specific needs of the pupil that lead to the school requiring Behaviour Support as the Team Coordinator will then be in a position to suggest the next steps forward. This will be in the form of a specific referral.

In the first instance, provision is likely to be in the form of Outreach Support.

Permanently Excluded Pupils:

Pupils who have been permanently excluded need to be referred by the Worcestershire Children's First Exclusions Team. When spaces are available Perryfields offers the required 6 day provision. We are unable to action individual parent/carer requests.

Section 19 Pupils:

These pupils have specific circumstances that may lead to a referral from the stated Worcestershire Children's First department:

- Pupils awaiting a Special School place – referred by the Special Educational Needs team.
- Children who are missing education from outside of Worcestershire – referred by the Children Missing Education team.
- Pupils who are awaiting confirmation of an Education and Health Care Plan (EHCP) - referred by the Special Educational Needs team.
