

Perryfields Primary PRU - Classes 1 & 2

Homework Grid Autumn 2023

Draw and label a picture of your own fantasy flying machine.	Create a fact file about the Wright Brothers. Include: at least 3 facts about them, pictures and a 'Did you know?'	If you could fly where would you go? Write a postcard and send it to school.	Make 3 paper aeroplanes. Carry out a test to see which flies the furthest.
Make your own your own flying machine out of junk. You could use your labelled diagram to help you.	Go on a walk or just go in your garden. How many birds/flying creatures can you spot. Take photos of them if you can.	Find a picture on the internet of your favourite flying creature. Make a sketch in as much detail as you can.	Research and sketch 3 different famous trains or steam engines.
Go to a travel agent and find a brochure for a destination far away. Have a look through the brochure and find somewhere you would like to go.	With adult help, make/bake some biscuits with a transport theme.	Using junk material, make a boat which will float and hold at least 10 marbles.	Find the names of 10 different forms of transport in a different language.
Can you read a book on a different form of transport? Such as in a car, on a motor-bike, train, bus, bike, scooter or tractor?	List as many items with wheels as you can.	Can you find the names (and maybe spot) 20 different car makes/manufacturers?	What is the most popular colour of car where you live? Can you design and carry out your own survey?

Each half-term, we will be issuing each child with a homework grid with a selection of different homework tasks on. As you complete each task, please date and sign the box and return the evidence to school. The evidence could be a drawing, a photo/video, some writing—a poem, letter, short story or report, a model or an object. Try to aim for 1-2 tasks per week. The evidence will be shared by the class teacher once a week as part of the pupils Social Skills/PHSCE lesson. You can email your completed tasks to office@perryfields.worcs.sch.uk

Thank-you for your support on this matter— If you require any resources, glue, paper etc... please contact the class teacher via the home school sheet.
